I Have Never Left You

*You cannot understand, the reasons why I've gone
But I will never leave you, I'm there to keep you strong.*

*Talk to me, I hear you, though you may not see
We share a bond unbroken, that will always be.*

*Death won't keep us apart, for our love is forever,
Just remember me in your heart and one day we'll be together.
Live your life and live it full, don't waste a single day
Remember I'm always with you, every step of the way*
