

After Glow

*I'd like the memory of me, To be a happy one.
I'd like to leave an afterglow Of smiles, when life is done.
I'd like to leave an echo, Whispering softly down the ways. Of
happy times and laughing times, & bright and sunny days. I'd
like the tears of those who grieve, To dry before the sun. Of
happy memories that I leave behind. When my life is done.
Love Darlene*

HOW GREAT THOU AT #842

“You can shed tears that she is gone
Or you can smile because she has lived.

God took the fragrance of a flower,
The majesty of a tree,
The gentleness of morning dew,
The calm of a quiet sea,
The beauty of the twilight hours,
The soul of a starry night...
The laughter of a rippling brook,
The grace of a bird in flight,
The tender care of an angel,
The faith of a mustard seed,
The patience of eternity,
The depth of a family's need...
Then God fashioned from these things
A creation like no other,
And when his masterpiece was through

He simply called it - Mother.
