

Everyday, I see you in my heart
but not in my eyes.

Everyday, I feel you in my soul
but not in my hands.

Everyday, I hear you in my mind
but not in my ears.

Everyday, I sense you in my body
but not in my presence.

Everyday, I will be proud of who
you were and dream we will be
together again.

Love you always, Daddy

Acknowledgements

We thank the ones that sent nice cards and sat quietly in a chair. We thank the ones who sent floral pieces giving us proof you really care. We thank the ones who spoke nice words as any friend would say. We thank the ones not here at all but thought of us this day. Whatever you did to console our hearts we thank you all for whatever your part. ~The family of Mikael Aveion Sanders

Family & Friends

A precious one from us has gone

A voice we loved is still

A place is vacant in our home

Which never can be filled.

Farewell dear son and brother

Until we meet you

As we come one by one

May we live so we'll be with you

When our work on earth is done.

Obituary

Mikael Aveion Sanders was born on July 11, 2008 at 31 weeks old. He spent the first months of his life in the hospital. At 2 years old, he was diagnosed with cerebral palsy. Mikael's therapy treatment program helped him meet many milestones. At the age of 4, he contracted bacterial meningitis. The meningitis caused a significant amount of brain damage. Mikael still fought to have the best quality of life he could.

Mikael attended school in the Sycamore Community District from grades K-8. He was very social at school and made a lot of friends. He participated in the APE sports league for 7 years. He participated in bowling, swimming, and baseball. Mikael was very bright and excelled in his academics. He attended both general education and special needs classes. He received many academic awards including honor roll, and the President's Award for Outstanding Academic Excellence.

Mikael spent a lot of time with his family. He has been on outings such as skating, camping and many sporting events to support his brothers. He loved fish and has made many trips to the Newport Aquarium. He was very loved by his family and by everyone that cared for him. He passed away unexpectedly on December 30, 2022.

He joins in paradise his brother, Imarion Sanders and his great grandmother, Juanita Williams.

He leaves here to cherish his memory; his parents, William Jr. and Tanea Sanders; his siblings, Imauri, William III, and Tacari Sanders; maternal great grandmother, Katie Nared; paternal grandparents, William Sanders Sr. and Rose Williams; maternal grandparents, Ralph Green and Beverly Green and aunts and uncles, Charlotte Sanders, Dominique Sanders, Chanel Sanders, Crystal Croley, Nicole Green and Rayshawn Green along with many cousins and other relatives and friends who loved him and miss him dearly.
