Poems

To a Special Brother...
Today is full of memories,
Of a brother laid to rest,
And every single one of them,
Is filled with happiness,
For you were someone special,
Always such a joy to know,
And there was so much pain
When it was time to let you go,
That's why this special message
Is sent to heaven above,
For the angels to take care
Of you and give you all my love,

Hey Mr. Massey,
I only call you that in the way that you loved. You left before I could say come home and now, you're gone. Now what am I supposed to do now, no more pop-ups, phone calls and texts telling me you love me and that I still love you. Mark, I will miss you forever and I will always and forever love you Mr. Massey.

Love Nikki
