*Footprints in The Sand*

*One night a man had a dream. He dreamed  
he was walking along the beach with the LORD.*

*Across the sky flashed scenes from his life.*

*For each scene he noticed two sets of  
footprints in the sand: one belonging  
to him, and the other to the LORD.*

*When the last scene of his life flashed before him,  
he looked back at the footprints in the sand.*

*He noticed that many times along the path of  
his life there was only one set of footprints.*

*He also noticed that it happened at the very  
lowest and saddest times in his life.*

*This really bothered him and he  
questioned the LORD about it:*

*"LORD, you said that once I decided to follow  
you, you'd walk with me all the way.*

*But I have noticed that during the most  
troublesome times in my life,  
there is only one set of footprints.*

*I don't understand why when  
I needed you most you would leave me."*

*The LORD replied:*

*"My son, my precious child,*

*I love you and I would never leave you.  
During your times of trial and suffering,  
when you see only one set of footprints,  
it was then that I carried you."*
