**I'M FREE**

*Don't grieve for me, for now I'm free  
I'm following the path God has laid you see.*

*I took His hand when I heard him call  
I turned my back and left it all.*

*I could not stay another day  
To laugh, to love, to work, to play.*

*Tasks left undone must stay that way  
I found that peace at the close of day.*

*If my parting has left a void  
Then fill it with remembered joy.*

*A friendship shared, a laugh, a kiss  
Oh yes, these things I too will miss.*

*Be not burdened with times of sorrow  
I wish you the sunshine of tomorrow.*

*My life's been full, I savored much  
Good friends, good times, a loved one's touch.*

*Perhaps my time seemed all too brief  
Don't lengthen it now with undue grief.*

*Lift up your hearts and peace to thee  
God wanted me now; He set me free.*
