

God's Garden

God looked around his garden
and found an empty place.
He then looked down upon the Earth
and saw Momma's tired face.
He put his arms around her
and lifted her to rest.
With the help of His angels
they flew her to her heavenly place.
God's garden must be beautiful.
He always takes the best.
He knew Momma was suffering,
He knew she was in pain.
He knew that she would never
get well on earth again.
He saw the road was getting rough
and the hills too hard to climb.
He closed her weary eyelids
and whispered "Peace be Thine".
It broke our hearts to lose her,
but she didn't go alone;
For part of us went with her on the
morning God called her home.

Welcome Home

When I am gone, release me, let me go.
I have so many things to see and do,
You mustn't tie yourself to me with too many tears,
But be thankful we had so many good years.
I gave you my love, and you can only guess
How much you've given me in happiness.
I thank you for the love that you have shown,
But now it is time I traveled on alone.
So grieve for me a while, if grieve you must,
Then let your grief be comforted by trust.
It is only for a while that we must part,
So treasure the memories within your heart.
I won't be far away, for life goes on.
And if you need me, call and I will come.
Though you can't see or touch me, I will be near.
And if you listen with your hear, you'll hear
All my love around you soft and clear.
And then, when you come this way alone,
I'll greet you with a smile and a
"Welcome Home."
