

## *Blessings from You*

*It seems to me the day you left  
The sky got dark and the sun lost its shine  
Because it feels as though the lights gone out  
Within this heart of mine  
My body feels so broken  
Because we had to say goodbye  
And my tears they fall like raindrops  
Every time I cry  
But there was magic in your touch  
And sunshine in your smile  
There was love in everything you did  
To make our lives worthwhile  
So no more crying and no more heartache  
But memories of all the blessings you have given  
So each day will get better  
  
Day by Day  
Your Loving Wife, Farrah*
