

The Moment You Died

*The moment that you died
My heart was torn in two
One side filled with heartache
The other died with you.*

*I often lie awake at night
When the world is fast asleep and
Take a walk down memory lane
With tears upon my cheeks.*

*Remembering you is easy
I do it everyday
But missing you is heartache
That never goes away.*

*I hold you tightly within my heart
And there you will remain
Until the joyous day arrives
That we will meet again.*

Weep Not For Me

*Weep not for me though I have gone
Into that gentle night
Grieve if you will, but not for long
Upon my soul's sweet flight
I am at peace, my soul's at rest
There is no need for tears
For with your love I was so blessed
For all those many years*

*There is no pain, I suffer not
The fear is now all gone
Put now these things out of your thoughts
In your memory I live on
Remember not my fight for breath
Remember not the strife
Please do not dwell upon my death
But celebrate my life*
