

REST WELL

Bravo, Bravo to an amazing Woman of God
You've made it to the finish line.
You've ran your race.
Well done my Beloved, well done.
It is with great Honor to say how Bless we are.
Anyone who knows you saw you as a Blessing.
You are a Woman of many Talents and a Woman of Great Respect.
Your Loud and Rambunctious Spirit
made your Presence known before you would even speak a word.
Your Joyful and Loving Spirit would always fill any room you entered.
A True and Rare Beauty you are.
A Nobel Queen who we held in the up most and Highest regards.
You are the True definition of Love.
Your Love is like the Love of God,
because you are like God and were made in his image and
To describe you as anything less would be Unjust.
You Mama are the Greatest Blessing we could ever Receive from God.
Such a Treasure could no longer remain.
You were truly our Earth Angel, but now you have a New set of Wings.
We Joyfully and Humbly send you off to be in the Presence of God.
We Joyfully and Humbly send you off to be with the rest of our Family.
So, Party on my Queen.
Fill all of Heaven with that Beautiful Smile and Joyful Spirit.
Fill all of Heaven with your Loud and Breath-taking Song.
Fill all of Heaven with your Love.
We will see you in another. To be in Death on earth is to be in Life
before God.
Just be there waiting for us with Opened Arms, a Tight and Warm
Embrace and a Multitude of Kisses.
Rest well my Dear, Rest well my Beloved, Rest well my Beautifully,
Strong and Bold Black Queen, Rest well.
We Love you and Miss you Greatly.
Rest well Mama.
