

*Dear Mom,*

*Words cannot describe how important our mother, grandmother, and great-grandmother was to us. She was a loving daughter, a caring sister and a devoted wife. She enjoyed shopping, fishing and mostly the overwhelming love and joy for her grandkids. She was always hard working charismatic and a great provider for us all. She was our rock and anchor in this family. She loved to cook her famous sweet potatoe pies and potatoe salads at family gatherings. She was a strong person with a big heart and kind. She fought for all her family in one way or another. Now the time has come for you to rest. So go in peace, you've earned your sleep. With your love is in our hearts we'll eternally keep.*
