

Love

Love can not be torn apart
For it is what binds the entire universe together. So
regardless of what's happened or what separates you,
our loved one is never more than a prayer, a whisper,
a teardrop away. As you bear this burden,
Keep believing; Keep hoping!
For love endures all things.

We came this far by Faith

Our Mom

Our Mom was a very strong and very funny woman, a real comedian. She was fun to be around. Did I say she was a comedian? She had been though breast cancer and fought a good fight at the end with a lot of ailments. She never complained about much of anything. She also had a beautiful smile and loved reading the Bible alone and to the grandchildren. Our mom will be missed.

Love you always, Your Children
