

Aunt Phine

Since we were born, you had us all learning to crawl, walk, and even play ball.
When times got tough, we knew you were one we could always call.
Even if we didn't want to listen, you would keep on talking and see us right through.
Growing up, we never had to worry about what we were going to eat
because you would always call and tell us to come and have a seat.
Every holiday, everyone was ready and waiting for the cake.
We would beg and plea for a cake that we could take.
Although we'll miss everything you did,
we will always make sure to share the wonderful memories with our kids.
It's time sweet lady to get your rest, no matter where life takes us,
we promise, Aunt Phine, to always do our very best!
