To Those I Love And Those Who Love Me

When I am gone, release me, let me go; I have so many things to see and do.

You must not tie yourself to me with tears, be happy that we had so many years.

I gave you love; you can only guess how much you gave me in happiness.

I thank you for the love you each have shown, but now it is time I travel alone.

So grieve a while for me, if grieve you must then let your grief be comforted by trust.

It's only for a while that we must part so bless the memories within your heart.

Tho you can't see or touch me, I'll be near; and if you listen with your heart, you'll hear;

All my love around you real and clear. And then when you must come this way alone,

I'll greet you with a smile and say . . . Welcome Home!!
