*"Free At Last"*

I know I left without saying goodbye  
I know I left some people crying  
Try to put a smile on your face  
Because instead of walking, I'll be flying.  
No more pain, no more sadness  
No more problems to cry over  
My body is filled with happiness  
Now, I'm with my son, sister, father,  
mother and others.

I don't have to work anymore  
Now I can see my Savior,  
the face I have been waiting to see  
I have broken all the chains that  
were holding me down  
The Lord has finally set me free.  
My family and friends don't mourn for me  
Because this is the greatest  
thing that has happened to me  
Not the death of myself  
But being with God and finally  
being forever happy.  
When you are down  
Memories will flow from the past  
But I am overwhelmed that "I'm Free At Last."
