*A Million Times*

A million times we will need you,  
A million times we have cried;  
If love alone could have spared you,  
You would have never died.  
If all the world was ours to give,  
We would give it, yes, and more,  
To see you coming up our steps,  
And walking through our door.  
To hear your voice, to see you smile,  
To sit and talk with you awhile;  
To be with you the same old way,  
Would be our fondest wish today.  
A heart of gold stopped beating  
Two smiling eyes were laid to rest;  
God broke our hearts to prove to us,  
He only takes the best.

*Acknowledgement*

At a time like this when sorrow invades the heart and home, it means so much to have loving family and friends. Your kindness is deeply appreciated and will always be remembered.
