

### *While Here On Earth*

While here on earth I did my best;  
A friend to all I tried to be.  
This day, no regrets I have,  
While you here look at me.

No more sorrow will be mine;  
No more burdens will I bear.  
No more heartaches will I endure,  
Weighted down with endless care.

No more will I fret and worry  
About what a day might bring.  
I go now to a city,  
Where God's Holy Angels sing.

### *Expression of Appreciation*

Perhaps you called or whispered a sincere prayer,  
Perhaps you sent flowers, a memorial,  
or a token of love and care.  
Perhaps you spoke the kindest words  
that only friends could say  
Perhaps you were not there at all,  
just thought of us that day.  
Whatever you've done to console the heart,  
we thank you so much for whatever the part.

## Afterglow

I'd like the memory of me  
To be a happy one.  
I'd like to leave an afterglow  
Of smiles when life is done.  
I'd like to leave an echo  
Whispering softly down the ways,  
Of happy times and laughing times  
And bright and sunny days.  
I'd like the tears of those who grieve  
To dry before the sun  
Of happy memories that I leave  
When my life is done.
