

*You can shed tears that she is gone,
Or you can smile because she has lived.*

*You can close your eyes
and pray that she will come back,
Or you can open your eyes
and see all that she has left.*

*Your heart can be empty
because you can't see her
Or you can be full of the love that you shared.*

*You can turn your back on tomorrow
and live yesterday,
Or you can be happy for tomorrow
because of yesterday.*

*You can remember her
and only that she is gone,
Or you can cherish her memory
and let it live on.*

Obituary

Why certain things must be,
But there is a reason for it all
Beyond our power to see.
May it comfort us a bit
To know the one we love
Has found eternal happiness
And lasting peace above.*
