While Here On Earth

While here on earth I did my best;
A friend to all I tried to be.
This day, no regrets I have,
While you here look at me.

No more sorrow will be mine;
No more burdens will I bear.
No more heartaches will I endure,
Weighted down with endless care.

No more will I fret and worry
About what a day might bring.
I go now to a city,
Where God's Holy Angels sing.

Acknowledgment

Perhaps you sent a lovely card,
or sat quietly in a chair.
Perhaps you sent a floral piece,
if so, we saw it there.
Perhaps you spoke the kindest words,
as any friend could say;
Whatever you did to console our hearts,
We thank you so much whatever the part.

Biker's Prayer

Biker angel be my guide
as I climb upon my Road King to ride.
Let your halo guide the way
and keep me safe from harm today.
Let your wings provide me the wind and air
and send it coursing through my hair.
Find for me a sunny place
and let it shine upon my face.
Keep the clouds and rain at bay
and keep me dry throughout the day.
Watch over my brothers who ride with me,
keep them safe and close to thee.
Keep my wheels upon the ground
so I may return here safe and sound.
But should disaster be my fate,
guide me through Heaven's gate.
If I must join my fallen brethren,
please show me the way to biker Heaven.
