Carol was more than just a mother, she was a best friend. Someone you could call when you just wanted to talk and she would always pick up. Her spirit lives through us. She always told me, "don't rush perfection," when in reality she was the perfection. She will be extremely missed. Momma touched many hearts and still is. Like she always said, "don't ever walk with your head down!"

Expression of Appreciation

We, the McGee Family, would like to thank everyone for gathering for Carol's homecoming.

God's Eternal Plan

*God gives us each the gift of life
To cherish from our birth,
He gives us friends and those we love
To share our days on Earth.
He watches us with loving care
And takes us by the hand,
He blesses us with countless joys
And guides the lives we've planned.
Then when our work on earth is done
He calls us to His side
To live with Him in happiness
Where peace and love abide.*
