

*Auntie With So Much Love*

The day God called your name,  
 it broke our hearts in two.  
 We wished he could have waited,  
 but he was in need of an angel and he picked you.  
 We wish he could've let you stay with us,  
 but the memories in our hearts is where  
 they will always be.

If we could rewind the clock or slow it down  
 so we could have given you some hugs and kisses,  
 one more time before you had to go.

No matter how much time passes  
 we will miss you every day,  
 so keep shining bright our  
 unique Auntie Sara keeping the path full  
 of lights for us one day.

This is not good bye,  
 but farewell until we meet again.

Love,  
 Nieces and Nephews

## A Legacy of Love

A wife, mother and a grandma too.  
This is the legacy we have from you.  
You taught us love and how to fight.  
You gave us strength, you gave us might.  
A stronger person would be hard to find.  
And in your heart you were always kind.  
You fought for us all in one way or another.  
Not just as a wife, not just a mother.  
For all of us you gave your best.  
And now the time has come for you to rest.  
So go in peace, you've earned your sleep.  
Your love in our hearts we'll eternally keep.

Love,

Children and Grandchildren
