

Never Say Good-Bye

There can be no good-byes for us
It's be too painful, dear
Our connection still lives on
Although you're far from here.

I miss the times that we once had
But one day once again
I'll hold you close and laugh with you
I just wish I knew when.

Each moment til that day arrives
Until my time is through
I'll miss you more than words can say
And always think of you.

I'll look for you among the stars,
And each dawn's pastel sky
And whisper words of love to you
But never say good-bye.

Love Mama
