I Am Free

Don't grieve for me now, I am free,
I am following the path God laid out for me.
I took His hand when I heard Him call,
I turned my back and left it all.
I could not stay another day,
To laugh, to love, to work or play.
Tasks left undone must stay that way;
I found peace at the end of the day.
If my parting has left a void,
Then fill it now with remembered joy.
A friendship shared, a laugh, a kiss,
These things I too shall miss.
Be not burdened with time of sorrow,
I wish for you the sunshine of tomorrow.
My life has been full, I have savored much,
Good friends, good things, a loved one's touch.
Perhaps my time seemed all too brief,
Don't spend it now with undue grief.
Lift up your heart and share with me;
God wanted me now, He set me free.
THANK YOU LORD

Our Mother

Our mother is a woman like no other. She gave us life, nurtured us, taught us, dressed us, fought for us, shouted at us, kissed us, but most importantly, loved us unconditionally. Therefore, not enough words we can say to describe just how important our mother was to us, and what a powerful influence she continues to be.

Mother, We Love You,
Your Children
