

Goodnight

I see a light shining far, far away,
And I've decided to follow that light today;
I've done all the work I plan to do,
So I must say goodnight to you.

The angels are waiting to show
Me the way home;
God spared this old life for so very long.
I must go with them, they will not wait;
The Lord is waiting to greet me at the pearly gate.

Goodnight my family,
I must lie down and rest;
This soul of mine has done its best.
There's no reason to be sad, I am only asleep,
I laid down this morning, for keeps.

I'm Free

Don't grieve for me for now I'm free,
I'm following the path God laid for me.
I took His hand when I heard Him call:
I turned my back and left it all.

I could not stay another day
To laugh, to love, to work or play.
Tasks left undone must stay that way;
I found my place at the close of day.

If my parting has left a void
Then fill it with remembered joys.
A friendship shared, a laugh, a kiss,
Ah yes, these things I too shall miss.

Be not burdened with times of sorrow:
I wish you the sunshine of tomorrow.
My life's been full, I savored much;
Good friends, good times, a loved ones touch.

Perhaps my life seemed all too brief:
Don't lengthen it now with undue grief.
Lift up your heart and share with me;
God wanted me now, He set me free.

Love,
April Harmon and Tariah Henderson
