

To Those I Love
And Those Who Love Me

When I am gone, release me, let me go
I have so many things to see and do.
You mustn't tie yourself to me with tears,
Be happy that we had so many years.

I gave to you my love. You can only guess
How much you gave to me in happiness
I thank you for the love you each have shown
But now it's time to travel on alone.

So grieve a while for me if grieve you must
Then let your grief be comforted by trust,
It's only for a while that we must part
So bless the memories within your heart

I won't be far away. For life goes on
So if you need me, call and I will come.
Though you can't see or touch me, I'll be near
All of my love around you soft and clear.

And then, when you must come this way alone,
I'll greet you with a smile and
"Welcome Home."

Mustang

Racing across the meadow,
My heart takes flight.
Colors fuse together,
I barely touch the ground.
The wind rises in song,
My mane flicking in the wind.
The sky opens up before me,
I trumpet to the heavens.
Through the stream at full gallop,
I rear up to the sky.
Without a bond of gravity,
I am free.
