

*...Until We
Meet Again*

*Those special memories of you
will always bring a smile
if only I could have you back
for just a little while.*

*Then we could sit and talk again
just like we used to do
you always meant so very much
and always will do too.*

*The fact that you're no longer here
will always cause me pain*

*But you're forever in my heart
until we meet again.*
