A Letter From Heaven

When tomorrow starts without me,
and I'm not here to see,
If the sun should rise and find your eyes,
filled with tears for me.

I wish so much you wouldn't cry,
the way you did today,
While thinking of the many things,
we didn't get to say.

I know how much you love me,
As much as I love you,
And each time you think of me,
I know you'll miss me too.

When tomorrow starts without me,
don't think we're far apart,
for every time you think of me,
I'm right there in your heart.

Mike Caswell, age 69, passed away Thursday, July 28, 2022 at Clover House in Swift Current, SK and it is with heavy hearts that we say goodbye to our beloved partner, dad, brother, grandpa, great-grandpa, and dear friend.

Mike will be lovingly missed by his partner, Lynn; his son, Clayton (Rhonda) and their children, Gabrielle and Olivia (her child, Harper); his

son, Curtis; his son, Chris (Caity) and their children, Jasper and Wesley; his brother, Kelly (Sharon) and their children, Scott (Tara) (Penelope, Annelise, and Joshua) and Ryan (Jolene) (Ellis and Sutton); and by his sister, Maureen (Russ) Hanson and their children, Kirsten and Lauren.

Mike was predeceased by his parents, Albert "Mert" & Jean Caswell; and by his brother, Pat Caswell.

Michael Dwayne Caswell was born June 13, 1953 in Regina, SK and grew up in Swift Current. Mike enjoyed

spending his summers at the family cabin at Clearwater Lake. He worked for many years at the City of Swift Current, where he made countless friends. He later pursued other careers with Dura Products, Modus Windows and Doors, and Prairie Industrial.

He had the joy of helping his three sons in all kinds of sports as they grew — including coaching minor ball and being an assistant coach whenever needed. The annual trip to the Moose Jaw airshow was always a big hit. Becoming a grandpa was a highlight of Mike's life and he loved every minute of it.

Mike loved to fix things — be it a car, boat, or golf cart. If he didn't know how, he found out. He also loved to build — deck, shed, or just renovate the house — he always had something in the works. And he was always there to lend a helping hand to friends and family.

Mike enjoyed his numerous trips to Mexico and camping at Thomson Lake, but his passion was golf. He never went on a trip without his clubs in tow and was always looking for that magical gadget that would improve his score!

Mike will be dearly missed by his family, his friends, and by all who knew him.
