A photograph of a man with light brown hair, wearing a plaid shirt and blue jeans, crouching in a desert-like environment. He is holding a long, thin stick or staff. The background consists of dry, yellowish-brown brush and a sandy ground. The lighting is warm, suggesting a sunset or sunrise. The overall tone is contemplative and serene.

*God called your name so gently
that only you could hear,
no one heard the footsteps
of the angel drawing near.
Softly from the shadows,
there came a gentle call,
you closed your eyes
and went to sleep,
you quietly left us all.*
