When Tomorrow Starts Without Me

*When tomorrow starts without me,
please try to understand.*

*That an angel came and called my name,
and took me by the hand;
the angel said my place was ready.
In Heaven far above,
and that I'd have to leave behind
all those I dearly love.*

*But when I walked through Heaven's Gates
I felt so much at home,
for God looked down, smiled at me
and told me "Welcome Home".*

*So when tomorrow starts without me
don't think we're far apart,
for every time you think of me
I'm right there in your heart.*
