

The Swift Current Area Ministerial Association presents the

# *Blue Christmas Service*

MONDAY, DECEMBER 21, 2020

This difficult time of year is even more complicated now in 2020 with all the gathering restrictions. Because of this, the way the Blue Christmas Service will take place this year has changed.

The service will be pre-recorded and the link for the video will be available on our website, [swiftcurrentfuneralhome.com](http://swiftcurrentfuneralhome.com), and on East Side Church of God's website, [eastsidechurch.ca](http://eastsidechurch.ca)

The video will be posted by 1:00 pm so those who wish to watch earlier in the day may do so.

We can appreciate that this isn't ideal and is no one's first choice, but it is important that we take the time to honor and acknowledge those we love who are no longer with us, and whom we dearly miss. Please join us in honoring the loved ones we have lost with this unique service that will bless and encourage you in this difficult season.
