Footprints In The Sand

One night I dreamed I was walking
along the beach with the Lord.
Scenes from my life flashed across the sky.

In each, I noticed footprints in the sand.
Sometimes, there were two sets of footprints;
other times there was only one.

During the low periods of my life,
I could see only one set of footprints, so I said,
“You promised me, Lord, that you would walk
with me always. Why, when I have needed
you most, you have not been there for me?”

The Lord replied,
“The times when you have seen only one set
of footprints, my child, is when I carried you.”
