

A Mother's Love

There's no love like a mother's,
Her heart is filled with care.
With Christ as her example,
Her Savior's love she'll share.

Mother's love is endless,
Not changing for all time,
When needed by her children,
A mother's love will shine.

God bless these special mothers,
God bless them every one.
For all their tears and heartaches,
And special work they've done.

When days on earth are over,
A mother's love lives on,
Through many generations,
God's blessings on each one.

Be thankful for our mothers,
Who love with higher love,
From power God has given,
And strength from up above.
