She finished her education at Job Corps in Baltimore MD where she received her GED and trade in Security. There after she obtained numerous security jobs and finally landed one that she was truly excited about at PSC Security in Union Staion.

With Brianna's entire life ahead of her when she wasn't working Brianna loved being out and about entertaining her friends. Brianna lived a very social life. Meeting new people, exploring new things and kept a smile on her face that lite up a room. Brianna was very smart, outgoing, and always the life of the party.

Brianna loved her family with every ounce of her heart. She had all the intentions of making her parents proud and teaching her younger sister all things she didn't know growing up. She always was schooling her little sister on things the same way her older brother and sister did with her.

Brianna is survived by her mother Tonya Green and father Leroy Green III. Grandparents (father) Leroy Green II and Diane Green, (mother) Diane Black and Eddie Edgar Russ. Her brother Leroy Green IV and sisters Tequila (Sade) Green and Mya Green. ## Your Spirit

I know that no matter what  
You will always be with me.  
When life separates us  
I'll know it is only your soul  
Saying goodbye to your body  
But your spirit will be with me always.  
When I see a bird chirping on a near-  
by branch  
I will know it is you singing to me.  
When a butterfly brushes gently by  
me so care freely  
I will know it is you assuring me you  
are free from pain.  
When the gentle fragrance of a flower  
catches my attention  
I will know it is you reminding me  
To appreciate the simple things in life.  
When the sun shining through my  
window awakens me  
I will feel the warmth of your love.  
When I hear the rain pitter patter  
against my window sill  
I will hear your words of wisdom  
And will remember what you taught  
me so well'  
That without rain trees cannot grow  
Without rain flowers cannot bloom  
Without life's challenges I cannot  
grow strong.  
When I look out to the sea  
I will think of your endless love for  
your family.  
When I think of mountains, their  
majesty and magnificence  
I will think of your courage for your  
country.  
No matter where I am  
Your spirit will be beside me  
For I know that no matter what  
You will always be with me.
