Christina Maria Ellison

Christina was born May 16, 1982, to the late Helen Hall. She is the fourth child and second oldest daughter. She was fondly nicknamed Tina or Mz. Tee. As a young child she was always happy and smiling. Tina was an obedient and helpful child. Helen would always dress Tina with hair adorned in beads. Without fail, Tina would have in her favorite purse of the day sunglasses, lip gloss and candy. She loved the color red, Love Pink, butterflies and balloons. Tina enjoyed shopping and spending time with family and friends. Christina was loving and loyal with a big heart and beautiful smile.

At an early age, Christina was baptized at St. Benedict de Moore Catholic Church, where she attended mass with her mother and siblings. In DC she attended Blow Elementary school and the family relocated to Prince Georges County where she attended Charles Carroll Middle School and Fairmont Heights High School. She received her high school diploma from Roosevelt Senior High School in DC. The following year, Christina attended ITT Technical Institute where she received Childhood Development Associate (CDA) certification. In 1998, Tina began dating her husband David whom she loved and adored. They were married on her birthday May 16, 2016. Tina was a loving and faithful wife.

Without warning Tina left us February 5, 2020, at United Medical Center. Christina leaves to cherish her memory her loving husband, David Ellison, 9 siblings, Crystal Longshore, Ricky, Helen V., Jamal, Bonita Lewis (William), Paris, Melissa, Keshawn, and Karima Hall; 3 nephews, Devonte and Brett Longshore and Jibrael Hall; 4 nieces, Shadel, Brittany and Brianna Longshore and Kamiya Stoutamire. To My Best friend, My Love, My Everything

When I first met you, you were drinking a soda, and I had asked for some. You gave me a smile, and I knew then at that moment that there was something special about you. It was your spirit that I was drawn to, and your beautiful smile that always brighten my day. I used to always tell you that my days will always be great, and you will always be my love, my best friend, my motivation, and my headache. I love the way you blink and raised your eyebrows when you didn't believe what I say. I will miss our conversations, going out to eat, and seeing the world together. Loving you, and you loving me. Your hugs, and caring nature. To my luv with each breath I take, I will miss you with each step I make. I will take my love for you as strength towards what you wanted for us, and for me to accomplish what I had promise what I would do. My soulmate, my love, my everything forever.

Love Dave,
