# Obituary

**Kelley Denise Leonard** began her life journey on January 14, 1966. She was the fourth youngest child to the late James Walker and Yvonne Leonard. Kelley was born in Washington, D.C., in D.C. General Hospital and departed this life on Sunday, September 27, 2020 in Fort Washington, MD in her home.

**Kelley** graduated from Spingarn High School, in Washington, D. C., and from Northern Virginia Community College in Annandale, Virginia where she received a bachelor's degree in Human Services.

Kelley was a native Washingtonian but spent some of her life in Richmond Virginia. Kelley was a "Mommy's Girl", she adored her mother and her ambition. Kelley loved working and following her mother's ambitious footsteps. She obtained her CDL and worked as a truck driver and later a bus driver for which she did for over 20 years of her wonderful life. **Kelley**, while living in Wilson, North Carolina used her education to become a Social Worker for County of Wilson, but eventually resigned to return to her passion, which was driving.

**Kelley** enjoyed every milestone of life. During her early years, she was the life of the party, all who knew her enjoyed her company. She was extremely generous, and helpful to anybody. She enjoyed entertaining friends and relatives; the family would refer to her as "Doc" because she was like a therapist analyzing everyone. As she matured in age, she enjoyed the comforts of her home along with Tyler Perry shows, YouTube, and CNN which she never grew tired of. She enjoyed cooking, good laughs and having others laugh along with her often with her funny remarks.

**Kelley** leaves to mourn one daughter Dee Leonard, one son Tj Lopez, two grandchildren Melina Lopez and Paco Lopez, three sisters Bonita Leonard, Donna Leonard, and Tracie Leonard, one brother Richard Leonard, a host of nieces, nephews, cousins, and a whole host of relatives.

The family would like to thank everyone for their prayers, sympathy, condolences and wonderful out pouring of love. We humbly appreciate your generosity for lending us your time, talents, and support to help our family get through these difficult times, particularly as we navigate through this memorial service. We particularly thank the Robinson Funeral Home for their professional services. We recommend them highly.
