

A Mother's Love

The love of a mother is like no other

Not the love of a lover

Not the love of a sister or brother

The love of a mother is felt by a mother's kiss

A mother's good intentions and a mother's wish

It's a gift to treasure, something that can't be measured

A mother's love is bound to bring pleasure

The love of a mother is felt by her hug

It is felt by her embrace and her gentle rub

There is the sweet sound of her voice

The look in her eye when she makes a choice

The love of a mother is not like any other

It's so wonderful to feel, so wonderful to discover

It's the expressions on her face when she looks in your eyes

The love of a mother is like looking at the sunrise

It's always there each and every day

It's always there, no matter what you do or what you say

It's strong and wise, it doesn't tell lies

Makes you feel like you can do anything

It's not something that money buys

Priceless, precious, unique, and sublime

A mother's love withstands the end of time

It's warm like the sunshine, beautiful and divine

A mother's love is one of a kind.
