

"God's Garden"

God looked around his garden
And found an empty place.
He then looked down upon the earth,
and he saw your tired face.

He put his arms around you
And lifted you to rest.
God's garden must be beautiful,
He always takes the best.

He knew that you were suffering,
He knew you were in pain
He knew that you would never get
well on earth again.

He saw the road was getting rough,
And the hills were hard to climb.
So He closed your weary eyelids,
and whispered "Peace be thine."

It broke our hearts to lose you,
But you didn't go alone
For part of us went with you
The day God called you home.
