
One Day At A Time

*You lived your life one day at a time.
The words you shared were always kind.
You loved us all with your whole heart.*

It saddens us to be apart, and forever we hold you in our hearts.

*Today you stand in God's bright light
watching over us day and night.
In our hearts you will remain until the day we meet again.*

Forever your love will lie in our hearts and the hearts of those you touched.

We are so grateful to God for blessing our lives with the beautiful gift of you.
