Mother and Son

I would give my life to have you back,
said his Mum

I know you would, said her son.

I cry each night for you, said his Mum
And I catch all of your tears said her son
I pray for the day that I can see you again,
said his Mum

Close your eyes and you can see me,
said her son

I am always just a dream away.

You are the first person who loved me,
and you are the first person I loved.
You were always there when I needed you,
and you always knew when I needed a hug.

I am here for you now, mum
in your heart and in your soul.

I did not take your heart with me
instead I left mine with you to hold.

One day I will take your hand
and lead you to paradise,
but until then my beautiful mother,
when you want to see me
you only need to close your eyes.

I am always just a dream away.
