Zonta Shaleza Hannah

November 21, 2001~March 18, 2021

Zonta's life journey began on 11/21/2001 in Neptune, NJ. After living in the hospital for months from epilepsy Darnell and Evelyn Hannah became her foster adoptive parents in 2003. In 2005 the Hannah family then became her Forever home for the next 16 years.

She was a beloved and popular student at The Children's Center of Neptune from the ages of 3 to 19 where she made leaps in her development despite her epilepsy and autism. With the collaborative effort of her school, family, and neurologist Dr. Karia she enjoyed an active life of her favorite trips to McDonalds, Church on Sunday, pool time at home, summer vacations, and countless school trips with her classmates.

Zonta, affectionately called Shaleza, loved Dora The Explorer, Sesame Street, and Yo Gabba Gabba. She was known to love being playfully chased by her sibling Syrenah around her home, playing with her library of books, strumming her guitar, and drawing on her musical Scribble boards. Her favorite activity any time of the day was always mealtimes where she knew if she had McDonald's french fries or Burger King's to which she stared at suspiciously before digging in. Shaleza was known for infectious breathtaking hugs where she would not let you go.

Shaleza was preceded in death by her loving father Deacon Darnell Hannah Sr. She will forever be remembered and cherished by her beloved family, Mother, Evelyn Hannah, brothers, Darnell Jr., Jason, Robert, and Joseph Hannah, sisters Tiffany, Nigua, Christine, Porsche, Passion, and Syrenah Hannah, and a host of Uncles, Aunts, cousins, church and school family.
