"God's Garden"

God looked around his garden and found an empty place he then looked down upon the earth and saw your face. He put his arms around and lifted you to rest with the help of his angels they flew you to your heavenly place God's garden must be beautiful, he always takes the best he knew you were suffering he knew you were in pain he knew you would never get well on Earth again he saw the road was getting rough and the hills too hard to climb he closed your weary eyelids and whispered, "Peace be thine". It broke our hearts to lose you, but you didn't go alone for part of us went with you the day God called you home.
