Recessional

Sometimes it is hard to understand,
The reason in God's way.
When sadness fills our day
Try to find a little comfort,
In believing God knows best.

Interment

Holley Spring Cemetery
Romulus, Alabama

Our lives go on without you
But nothing is the same
We must hide our heartache
When someone speaks your name

Sad are the hearts that love you
Silent are the tears that fall
Living here without you
Is the hardest part of all

You did so many things for us
Your heart was kind and true
And when we needed someone
We could always count on you

The special years will not return
When we are all together
But with the love in our hearts
You walk with us forever.

"I love you to the moon and back and all the stars in the sky"
