

There is a time for everything,  
and a season for every activity under the heavens;  
a time to be born and a time to die,  
a time to plant and a time to uproot,  
a time to kill and a time to heal,  
a time to tear down and a time to build,  
a time to weep and a time to laugh,  
a time to mourn and a time to dance,  
a time to scatter stones and a time to gather them,  
a time to embrace and a time to refrain from embracing,  
a time to search and a time to give up,  
a time to keep and a time to throw away,  
a time to tear and a time to mend,  
a time to be silent and a time to speak,  
a time to love and a time to hate,  
a time for war and a time for peace

#### **If We Could Bring You Back Again**

If we could bring you back again,  
For one more hour or day,  
We'd express all our unspoken love;  
We'd have countless things to say.

If we could bring you back again,  
We'd say we treasured you,  
And that your presence in our lives  
Meant more than we ever knew.

If we could bring you back again,  
To tell you what we should,  
You'd know how much we miss you now,  
And if we could, we would.
