

One night I dreamed I was walking along the beach with the
Lord.

Many scenes from my life flashed across the sky.

In each scene I noticed footprints in the sand.

Sometimes there were two sets of footprints;
other times there were one set of footprints.

This bothered me because I noticed
that during the low periods of my life,
when I was suffering from anguish, sorrow or defeat,
I could see only one set of footprints.

So I said to the Lord,

"You promised me Lord,

that if I followed you,

you would walk with me always.

But I have noticed that during the most trying periods of my
life

there have only been one set of footprints in the sand.

Why, when I needed you most, you have not been there for
me?"

The Lord replied,
