If You Could See Me Now

If you could see me now, I have finally arrived,
The healing that had been delayed has now been realized.

No one's in a hurry, there's no schedule to keep
We're all enjoying Jesus, just sitting at His feet.

If you could see me now, I'm walking streets of gold
If you could see me now, I'm standing tall and whole.

If you could see me now, You know I've seen His face,

If you could see me now, You know the pain is erased.

You wouldn't want me to ever leave this place – if you could see me now.

My light and temporary trials have worked out for my good,

To know it brought Him glory when I was misunderstood,

Though we had our sorrows they can never compare.

What Jesus has in store for me, no language can share.

You wouldn't want me to leave this perfect place,

If you could see my face – If you only could see me now.
