

Her Journey

Don't think of her as gone away
Her journey's just begun.
Life holds so many facets
This earth is only one.

Just think of her as resting
from the sorrows and the tears
In a place of warmth and comfort
where there are no days and years.

Think how she must be wishing
that we could know today
How nothing but our sadness
can really pass away.

And think of her as living
In the hearts of those she touched...
for nothing loved is ever lost –
And she was loved so much.

Sometimes it's hard to understand
Why some things have to be
But in His wisdom God has planned
Beyond our power to see.

So looking back in tenderness
Along the road we trod,
We cherish the years we've had with you
And leave the rest to God.
