

While Here On Earth

While here on earth I did my best;
A friend to all I tried to be.
This day, no regrets I have,
While you here look at me.

No more sorrow will be mine;
No more burdens will I bear.
No more heartaches will I endure,
Weighted down with endless care.

No more will I fret and worry
About what a day might bring.
I go now to a city,
Where God's Holy Angels sing.
