

*To Those I Love
And Those Who Love Me*

When I am gone, release me, let me go;
I have so many things to see and do.
You must not tie yourself to me with tears,
Be happy that we had so many years.

I gave you love; you can only guess
How much you gave me in happiness.
I thank you for the love you each have shown,
But now it is time I travel alone.

So grieve a while for me, if grieve you must
Then let your grief be comforted by trust.
It's only for a while that we must part
So bless the memories within your heart.

Tho you can't see or touch me, I'll be near;
And if you listen with your heart, you'll hear;
All my love around you real and clear.
And then when you must come this way alone,
I'll greet you with a smile and say . . .
Welcome Home!!

Afterglow

I'd like the memory of me
To be a happy one.
I'd like to leave an afterglow
Of smiles when life is done.
I'd like to leave an echo
Whispering softly down the ways,
Of happy times and laughing times
And bright and sunny days.
I'd like the tears of those who grieve
To dry before the sun
Of happy memories that I leave
When my life is done.
