God Is So Good

God is good, remember this
For no one else but He
Really knows whats best for us
Or why some things must be
He knows just why the wind blows
And why the rain must fall
But in his loving gracious way
He cares about us all.

Obituary

The Light of Peace

Many waters I have sailed throughout the voyage of life.
Over waters tranquil free of pain and strife.
Sometimes tossed in raging storms, though never left alone,
There was a light that beckoned me toward the shores of home.
Always in the distance this beacon I could see.
Giving me direction, as I sailed upon life's sea,
My journey is completed now the tide is drifting in.
My vessel moves on gentle waves...Eternity Begins
