

I didn't have you for a long time physically
But I'll have you forever spiritually
You left way to soon and this pain is uncanny
While we're apart I hope you'll be overseeing me
You are a light in my life that will shine forever
And when my time comes, we'll shine together
You looked just like me, my younger twin
I hope one day I'll see your smile again
No words can explain, in this moment how I feel
I keep asking myself "how can you leaving be real?"
Nobody can replace you as my 2nd born
I just wish for another day, for you to adorn
Until next time, lil Lil, I say so long and don't cry
Because daddy will always be right by your side.

**Love your Pops always
